

My name is Adam Jaramillo.

I know and love Williams Bay. I first moved to Williams Bay at the age of four. I attended the Williams Bay School system from kindergarten and graduated from its high school as valedictorian.

I left Williams Bay in 2006 to study economics and nuclear engineering at MIT. Since then, I have moved from Boston to Chicago to San Diego to Seattle. Along the way, I got married, had two children, bought and sold a couple homes, but I never felt home. When my wife and I were able to choose where we wanted to live, thanks to remote work, I knew that I wanted to come home.

I want my kids to get to grow up here in Williams Bay, the way that I got to, in a community. And I believe that being in a community means taking part in that community. Most of all, I want to set a great example of service and responsibility for my children. I already serve the community as a member of the Lions Club, but I know that I can do more.

I believe that I have the skills, time, talent and passion to serve as Trustee to Williams Bay. I offer the perspective of both a lifelong resident and a new arrival. I am a very fast learner and find interest in all topics. I have two young children about to enter the school system, and I am very invested in the future of this village. Please let me serve you.

Please write-in Adam Jaramillo for Village Trustee on April 5.
